Product Data Sheet —

A-joint Mini Bench

DESCRIPTION

The A-joint Mini Bench and A-joint Bench are timeless designs built for durability and style. The Mini Bench features a solid timber stretcher rail beneath its joints, ensuring structural integrity while showcasing a classic trestle aesthetic.

Seat and leg components are machined from solid timber. Joint is sand cast in aluminium or Bronze and rumble polished. Aluminium and Bronze is left unsealed. The product is supplied flat-packed and is to assembled by the end user. Allen key tool is supplied in the box.

Design: David Caon & Henry Wilson 2021
